

Unfold Your Own Myth

Who gets up early to discover the moment light begins?

Who comes to a spring thirsty
and sees the moon reflected in it?

...

Who, like Moses, goes for fire
and finds what burns inside the sunrise?

...

Don't be satisfied with stories, how things
have gone with others. Unfold
your own myth, without complicated explanation,
so everyone will understand the passage,
the light has opened me.

Start walking towards the light. Your legs will get heavy
and tired. Then comes a moment
of feeling the wings you've grown,
lifting.

Start walking . . .
the moment WILL come when you feel the wings you've grown . . .
lifting.
