

## **It's All Too Much**

It's all too much, it's all too much

When I look into your eyes, your love is there for me  
And the more I go inside, the more there is to see

It's all too much for me to take  
The love that's shining all around  
Everywhere, it's what you make  
For us to take, it's all too much

Floating down the stream of time, from life to life with "me"  
Makes no difference where you are or where you'd like to be

It's all too much for me to take  
The love that's shining all around here  
All the world's a birthday cake  
So, take your piece, it's not too much

Set me in a silver sun, and then I know that I'm free  
Show me that I'm everywhere, and get me home for tea

It's all too much for me to see  
A love that's shining all around here  
The more I am, the less I know  
And what I do, is all too much

It's all too much for me to take  
The love that's shining all around you  
Everywhere, it's what you make  
For us to take, it's all too much

It's too much, it's too much

Too much, too much, too much
